

British International School of Tunis

News from the school February 2015

From the Headmaster

Once again we had a wonderful day for **International Day**, and as I commented at the time I believe that BIST was the best restaurant in Tunisia for one hour ! Thank you so much to all our parents for their contributions of national dishes, and to the PTA for helping to organise it.

In February we had 2 Assemblies concerning people who have affected the world in different ways; **Sir Nicolas Winton** saved thousands of children from the Holocaust in World War 2, and **St Valentine** had an impact far beyond what he would have imagined when he thanked his gaoler's daughter for being so kind to him in prison!

Summer is approaching!

Sara and Tatiana are modelling our summer dresses and a new collection from England. If you would like to order a summer dress please give the size/age to Leila or Wided in administration! I will bring orders back from the UK after the spring Break.

Girls will continue wearing winter uniform until the end of this term, after that dresses are compulsory.

DATES FOR YOUR DIARY

International Day 2015

The classrooms were buzzing with happy children on our **International Day**. The children were involved in four out of six activities; Tunisian dancing, world cup football, Indian rangoli patterns, yoga, crêpe-making and performing 'The Haka' ! Great fun was had by all and the morning calminated in a procession of children all in their National costume and a lovely family atmosphere of eating food from dirrent cultures. It was all very tasty and enjoyable! Thank you Mums and Dads! **Delicious !**

Nursery class had lots of fun baking biscuits. We measured out the ingredients, mixed the dough and then made rabbit shape biscuits . They were delicious!

Reception

In Reception class we have been learning all about flowers and plants. We went on a lovely nature walk to collect flowers and leaves.
