

British International School of Tunis

News from the school March 2015

From the Headmaster

As we come to the end of another term we can look back on activities and learning that have been entertaining and instructional. Trips and visits, and dress-up days are an integral part of our school philosophy, and for that we are so grateful for the efforts of our teaching Staff and Parents.

In Assemblies this month we have been finding out about **St. David**, the Patron Saint of Wales, '**decisions**' that we all have to make, **King Richard III** being re-buried in Leicester Cathedral, and the significance of **Easter**.

We wish you all a very happy and relaxing holiday.

Dates for your Diary

Summer Term starts Tuesday 21st April

Stars of the Week

Early Years Trip to Mornag Eco-Farm

The Nursery and Reception children enjoyed their first field trip to Mornag Eco Farm. We learned about seeds, plants, bee hives and animals on the farm. We planted our own geraniums, fed the chickens and the donkey and visited all the different areas of the farm. For lunch we had a delicious picnic and then afterwards time to run and play. We all had a lovely day!
